

Cornwall

So just what is it that makes Cornwall special? The mighty cliffs and crashing waves? The glorious sandy beaches? The wild moorlands and peaceful woodlands? The friendly smiles and warm welcomes? The fantastic food and culture?

The answer is all of the above. Cornwall is the UK's most south-western county and boasts to be the most beautiful. The rural landscape provides a perfect getaway spot for a short break.

KPS Trebullom is situated in the North of the County, close to the stunning beach and harbour of Bude, and the market town of Launceston (*shown below*).
